DO YOUR OWN TAXES
WITH THE
TAX ADVANTAGE!

From Continental Software

The TAX ADVANTAGE takes you line-by-line through Form 1040 as well as Schedules A,B,C,D,E,G,SE,W & 4562 (Depreciation). It asks for information in plain english—all you do is type in the numbers. Just touch the "T" key and you will see what your tax bill will be...The program automatically computes your tax bill with each entry you make. The program will even do complex operations such as Income Averaging with a few simple commands. The program is compatible with THE HOME ACCOUNTANT (see bottom right of this page).
